

# STAY HOME AND PLEASE DO NOT ROAM

DON'T BE A STATISTIC OF THE NOW,  
BE THE FUTURISTIC CHANGE SO WE  
CAN ALL POWWOW.

COVID-19 IS REAL, UNDERSTAND  
HOW IT FEELS FOR THOSE WHO  
CANNOT DEAL, LYING IN A  
HOSPITAL BED, AFRAID OF BEING

**DEAD!**

DEATHS ARE RISING, IT IS NOT  
SURPRISING, ESPECIALLY IF  
YOUR BEHAVIOR REMAINS  
CHASTIZING.

## THIS COULD BE YOU

- A 17-year-old California boy whose death was linked to the coronavirus last month may be one of the youngest victims of the outbreak in the United States
- In Georgia, a 12-year-old girl with no known health conditions was placed on a ventilator last month
- In Kentucky, a young person who attended a "coronavirus party" organized by healthy adults has tested positive
- In Utah, 27-year-old Rudy Gobert and 23-year-old Donovan Mitchell, star basketball players for the Utah Jazz, were two of the first people to test positive for COVID-19
- In South Africa, 31-year-old Cameron van der Burgh, a gold medal-winning Olympic swimmer, has been battling COVID-19 for several weeks
- In France, a 16-year-old recently died from COVID-19
