

# IMPORTANCE OF GETTING 2ND DOSE OF COVID VACCINE

## WHEN TO GET THE DOSES

- Pfizer: 3 weeks or 21 days from 1st dose
- Moderna: 4 weeks or 28 days from 1st dose
- J&J: 1 dose only

- Try to get the 2nd dose as close to recommended interval as possible
- There is limited information on effectiveness of getting the 2nd dose earlier or later than recommended interval

• **Losing your card, is not a reason to NOT GET YOUR 2nd DOSE!**

## VACCINATION CARD

- If you cannot find your card:
  - Contact your state health department's immunization information system (IIS).
  - If you enrolled in v-safe or VaxText, you can access the card there
  - Take a picture if possible

## FULLY VACCINATED

- You will be FULLY vaccinated:
  - 2 weeks after 2nd dose of the 2 dose series for the Pfizer and Moderna
  - 2 weeks after the 1 dose series of J&J

• **It is IMPORTANT to get your 2nd dose of the vaccination in the 2 dose series**
